**MaineCare Comprehensive Rate System Evaluation**  
**Phase 2 Stakeholder Engagement Registration Information and Update**  
*November 24, 2020*

Registration for the next phase of stakeholder meetings is now open.

To prepare for the sessions, we recommend stakeholders review the Excel workbook(s) applicable to their section(s) of the MaineCare Benefits Manual. Each workbook compares MaineCare's rates to rates of other payers, and they will be emailed to you once you have registered. All workbooks will be posted online the week of November 30, along with an Executive Summary that contains key findings across all sections. These files together comprise the Phase 1 benchmarking report.

The benchmarking report will focus on the comparison of MaineCare *rates* to rates of other payers; the comparison of payment *methodologies* will be included in the [findings and report](#) due in January and February, along with the stakeholder feedback regarding payment methodology from our meetings in October.

See the table below to register. You may send an email to [RateSettingEval@maine.gov](mailto:RateSettingEval@maine.gov) with any questions.
